The Thanksgiving Meal Ministry has been serving the Delaware County community for 27 years. It takes hundreds of people and organizations joining together with their finances, hard work and kindness to reach out to so many on Thanksgiving Day. Last year we gave out over 1,800 meals and helped a local homeless shelter and a shelter for abused women with children. Since we are still in the mist of the Covid crisis and we are limited on how many people can congregate safely in our hall; we are going to be a little more creative this year on how to reach out safely to so many.

Our client list is now broken up into towns. We are looking for other people, organizations and Churches who would be willing to help possibly 10 clients or a family in their area for Thanksgiving. We could provide the client's information, with the client's permission, to the Church, organization or people willing to help. This is also a way of connecting to those in need in your own community.

Here is how you can help:

1. Financial support to help purchase meal cards at local diners or grocery stores
2. Commit to preparing meals for a family or a group of home bound clients
3. Help us make phone calls to clients, diners, and organizing Ministry.
4. Help deliver meals to client's home.

If you have helped the Thanksgiving Meal Ministry in the past, tell your experience/story to your friends, family, neighbors, co-workers and church family. Help us spread the word. God has always been good to the Thanksgiving Meal Ministry. We are treading in new waters this year and we need your thoughts, prayers, and creativity. If you have any ideas on how we can reach out safely to our neighbors, please give me a call. (Debbie Hadden at 610-457-7442) We will explore all options.
